

# SAN MIGUEL DEL BOSQUE III

ALBUQUERQUE,  
MEXICO

72 UNITS  
COMPLETION DATE • MAY 2008

ONE OF  
ALBUQUERQUE'S  
MOST UNIQUE  
COMMUNITIES  
WITH  
MAGNIFICENT  
MOUNTAIN AND  
CITY VIEWS.

San Miguel III is the third phase of the San Miguel del Bosque apartment home community, adding 72 units to the existing 284 units at San Miguel. The garden style units are in 3 three-story buildings with adobe style stucco exteriors and exposed wood corbels to complement the prevalent Southwestern architectural style in Albuquerque. The location adjacent to the Rio Grande River provides the nature enthusiast with a myriad of recreational opportunities. The community also has excellent access to the major freeways that serve the city.

- 72 Total Units; 36 One-Bedroom and 36 Two-Bedroom
- 108 surface parking spaces
- Full-size washer/dryer (most floor plans)
- 9-foot ceilings and built-in bookshelves
- Dramatic oval garden tubs
- Southwest and contemporary floor plans
- Executive Fitness Center with TV
- Resort swimming pools and hot tubs
- Serving nearby tech and aviation professionals
